

2019 FWFO ON-FIELD CLINIC

An On-Field clinic is a scrimmage with clinicians on the field and in the stands. The clinicians will be on the field at each position giving pointers and observing. There will also be clinicians in the stands making observations by position. The film review Saturday morning (mandatory for credit) will be broken out by position. This is a great opportunity for new/less experienced crews and officials that would like to be on a crew in the future.

Who: Highly recommended for officials 2-5 years, new crews and crews looking to improve. You can sign up as individuals or crews.

How: Sign up will be by check: **Cost \$10 each.**

Only 35 on field positions are available and will be filled first come first served.

Thursday May 16th Southlake Dragon Stadium
6:00-8:30 PM – Estimated 120-140 play scrimmage

Saturday May 18th – Location to be determined
9:00 AM -1:00 PM – film review of scrimmage

Participants must attend both days to receive clinic credit. Only On-Field positions will receive TASO On-Field Clinic points.

For Mail-In registration please fill out the form below and submit check to FWFO for \$ 10.00 to:
