

FWFO Bulletin 10/13/2022

Taking Care of Business

- Sub varsity requirements and waiver
 - Waiver is open on the website, and will close on the 15th of October at midnight.
 - As you have seen from the SV assignors today, there are plenty of openings to get your requirements in. Please make sure you do so. Also, help us out where you can and thank you for what you have done so far.
- Crew Chief Training
 - Two classes left
 - Monday, October 17th, 6:30 pm
 - Monday, October 24th, 6:30 pm
 - Each class will be presented on Zoom and the link will be posted by Karl at a later date. Each night will include Module 1 and Module 2. Members are not required to attend all three nights as each night will contain the exact same material. You can attend Module 1 on one night and Module 2 on another, if you wish.
 - These will be the only opportunities available this year, so please plan accordingly if you wish to be a crew chief during the 2023 season. If your name is not on the list under on the website (forms/general), you are required to attend the Referee Training Class if you wish to be a Crew Chief for the 2023 season.
 - Rod will update this list weekly as classes are held.
- Payment Issues
 - If you are more than 30 days past the date of an assignment and you have not been paid, please let Karl Wright know as soon as possible to get this rectified.
- Board Nominations
 - Please review the email sent by Arthur.
 - Nominations for FWFO board positions are open now and close on the 24th at 6:30 PM.
 - Place 2, 4 and CAST are up for election this year
- Rookie of the Year and Life Member Nominations
 - Please send these to Matt Holmquist and Dan Wroe by 10/17 and 10/31 respectively.

Training

- Sixth training tape shared via HUDL.
- Blocking below the waist
 - **We still aren't calling this correctly.** See the tape, rulebook, and previous bulletins.
- If you don't bring you're "A Game" for multiple games, you really don't have an "A Game"
- Always call player safety fouls.
- Keep crew conferences to a minimum, but get it right.
- Placards
 - We need to be uniform in this regard. The whole crew should be wearing placards, or none should. I promise we have a great network of officials who have items you can borrow if you are a fill in.
- Positive points
 - District play has started everywhere. Please remember to ask about positive point details in your pregame discussions with coaches.

Good luck to each of you this week and I hope this is helpful. If you have any questions or need additional clarification, please reach out to myself, Stacy, Chad or Rod.

Regards,

Ryan Vance
