

FWFO Bulletin 10/26/2022

Taking Care of Business

- Banquet is on Tuesday November the 8th at the Hurst Conference Center starting at 5 PM.

- Buffet style meal that is free of charge to you, and a cash bar.
- There will be door prizes, cash drawing, etc.
- Dress code is business casual
- Rule books and ID cards for this season will also be available to those who haven't gotten them

- Sub Varsity Requirements

- The waiver deadline has passed. Please make sure you are getting your games in.

- Payment Issues

- If you are more than 30 days past the date of an assignment and you have not been paid, please let Karl Wright know as soon as possible to get this rectified.

- Board Elections

- Voting is open through the TASO member's portal. Please go in and vote.

Training

- Eighth training tape shared via HUDL. Most of the material is shared there this week.
- Blocking below the waist
 - **Seems this is starting to click, but let's stay focused on it.** Thank you all for your work to improve this. See the tape, rulebook, and previous bulletins.

- Pants/Knee Pads
 - I know we are not being as strict as we have been in the past on this, but there is a line. Below is an example of the line being crossed. Address **egregious** instances such as this early in pre-game.

- Good judgment – Football officiating is not black and white. Which is why we have philosophies and when in question scenarios in the rule book.
- Being prepared – good officials are prepared mentally and physically to officiate each play. This preparation is continuous.
 - To have a good game, **you must be prepared.**
- If you don't bring you're "A Game" for multiple games, you really don't have an "A Game"

Good luck to each of you this week and I hope this is helpful. If you have any questions or need additional clarification, please reach out to myself, Stacy, Chad or Rod.

Regards,

Ryan Vance
