Training

- No HUDL tape this week.
- Most plays can be officiated by anyone, but there are 4-5 in a game that make or break you.
- Good officials have good verbal and non-verbal communication, and don't sound or look emotional.
- Always penalize the instigator
- Use your flag as a game management tool as a last resort.
- The play is never over. Be great dead ball officials.
- Have presence and use it whenever possible.

Good luck to each of you this week and I hope this is helpful. If you have any questions or need additional clarification, please reach out to myself, Stacy, Chad or Rod.

Regards,

Ryan Vance
